STOCK, CROP AND FARM NOTES

—MT. STERLING COURT.—With the cattle sold the latter part of last week there were at least 10,000 cattle on the market, says the Advocate.

Trade was so brisk that the scales could not weigh stock as fast as they were sold. The best 1,000 pound steers sold at 5 cents, with bulk of sales around 4 1/2 cents. Yearlings 4 1-2 cents, with some extra ones at 4 1/2 cents; heifers 3 1/2 cents to 4 1-4 cents; cows \$3 25 to \$4 75; old cows and work oxen 1 1-2 to 2 1-2 cents; a few 125 pound hogs at 5 cents. A large crowd at the pens and to say it was a busy one will hardly express the state of affairs. It was bustle the entire day. Some pens being filled as many as three times during the day. It will take two days at least to clear up the stock on hand.

Buyers said that prices were too high, but sales were as rapid as we have ever seen in this market.

—The Burley Tobacco Society announced Friday that it had about 1,500 acres of tobacco signed up by the growers of Kentucky under the ten year pooling contract adopted by that body at a recent meeting held in Lexington.

—The entire crop of tobacco in the Green River District has been cut and housed, and while the crop is considered a short one it is estimated that fully 30,000,000 pounds of tobacco have been housed. It is in fine condition owing to the fact that up to this time there has been no frost. This is unusually late in the month for no frost to have happened and has materially assisted the farmers.

—Waywood & McClintock shipped last week to the Pittsburgh market three carloads of cattle that were purchased at six cents per pound.

—Mr. Thomas H. Tarr purchased of W. G. McClintock thirty head of 950 pound cattle at 5 cents per pound and \$1 per head.

—W. G. McClintock shipped last week to the Cincinnati market one carload of hogs which were purchased in this county at 5 3-4 cents per pound.

—Nine carloads of thoroughbreds valued at \$205,000 were recently shipped from Kentucky to the farm of Irving K. Wheatcroft, Milven, Australia, to be used for breeding purposes.

—H. N. Rankin, of Carlisle, shipped recently three carloads of yearling mules to buyers in Pennsylvania, one carload to Tennessee and one to Maryland. The value of the mules was in excess of \$20,000.

—Messrs. J. S. and W. R. Estill, of Lexington, have purchased of McCord Bros., of Lowndesboro, Tenn., the great trotting stallion, The Tramp. The Tramp is by Jay Bird, who for so many years was the monarch of Maplehurst Stock Farm, of near this city, and was out of Sorrento. Five years ago he was sold at auction in Lexington and has proved to be a promising sire through the performance of his get.

DAUGHERTY BROS.

A Reader Cures His Constipation—Try It Free

Simple way for any family to retain the good health of all its members

The editors of "Health Hints" and "Questions and Answers" have one question that is put to them more often than any other, and which strangely enough, they find the most difficult to answer. That is "How can I cure my constipation?"

Dr. Caldwell, an eminent specialist in diseases of the stomach, liver and bowels, has looked the whole field over, has practiced the specialty for forty years and is convinced that the ingredients contained in what is called Dr. Caldwell's Syrup Pepsin has the best claim to attention from constipated people.

Its success in the cure of stubborn constipation has done much to displace the use of salts, waters, strong

cathartics and such things. Syrup Pepsin, by training the stomach and bowel muscles to again do their work naturally, and with its tonic ingredients strengthening the nerves, brings about a lasting cure. Among its strongest supporters are Mr. John Graveline of 98 Milwaukee Ave., Detroit, Mich., and Mr. J. A. Vernon of Oklahoma City. Thousands of others of both sexes have written to Dr. Caldwell telling of gratifying results. It can be obtained of any druggist at fifty cents and one dollar a bottle, or if you want to try it first a free sample bottle can be obtained by writing the doctor.

For the free sample address Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.
